Hello,

I am sorry to hear about your situation. It sounds like your case is a matter of civil law and not criminal law. The court systems have jurisdiction over civil law. You could look to report this web hosting site to the Illinois Attorney General's Office using the following link:
<https://illinoisattorneygeneral.gov/consumers/filecomplaint.html>.

Again, I am sorry we are not able to help you with this civil case.

Sincerely,
Officer Sill
