Dear
Billing &
Support,

Just to see your invoice no. 64701 which was generated on 18/07/2020 is due on 02/08/2020.

But you already clear, in you behind inevitable have come for the network spy of CP-China or HK to intervene, so since 31/03/2020 you at once to closed my ycec.net hosting after, I only can transfer to other hosting company, so you still owe for me six months of usage rights!

Today, why to exploitation out of body things again by the "test kit of COVID-19" to diagnosis morbidity in body this means of medical fraud come from HK & CP China still can to calamity in USA and already death to exceed 15,000 people?

And as www.ycec.com/SG/200730-PITT.pdf already spread all over Uni. of 20state in USA, the right and wrong already very clear, as same as www.ycec.com/911/200226-uk.pdf, why today all British same are the sufferer?

The cause on if "wash lung" & "freeze" two treatment of my PCT/SG03/00145 to open use of international society it will to lead west power those force mighty vaccine & drug big business to bankruptcy especially USA, so this two big business all-out to step in election war of political party, so origin HK & CP China those fraud testing means of COVID-19 at this point to calamity worldwide!

But already useless, because the simple "Lung-Airstreams Epidemic Prevention Law" of my five big inventions already to shown in www.ycec.com/HK/200128e.pdf or .htm that I had a letter to president of HKU to be clear about, if only to use, any flu or today so-called COVID-19 or any flu to fever the antipyretic no need to eat just can to down, so must to isolate, wear masks & washing hands those low IQ of prevention methods with any country CDC include WHO can immediately get away!

Above the merits and demerit and the duel of good and evil that victory or defeat already clear undoubtedly, and to see www.ycec.com/911/200731.pdf I just to report a case at NY City Police, if you to support me, I will reuse your hosting, and reduce send out email by this hosting to lest have badass to pressure for you, can it?
