Dear Sir/Mdm,

Thank you for your message.

For your Transfer Complaint Case no: 01011578. I did a check that our Contractual Compliance Team is working on your complaint submission, and they will review your complaint and reply to you.

To change the name server information to ns111.webhosting.sg, you may want to follow the steps to update the nameserver information for your domain as provided on this page: <https://knowledge.web.com/subjects/article/KA-01111/en-us>

I hope this information is useful to you.

Please let me know if you have additional questions.

Kind regards,
Shawn Seah

Dear
ICANN Complaints Office,

Above my Complaint Case no: 01011578 already to exceed 18 days not to handle, because the criminal record already can't to deny by Network Solution, as my www.ycec.com already can't to find in website on 2021.3.03 after, because Network Solution again to refuse my power to change point to ns111.webhosting.sg of a new hosting ID, and I already inform to compliance-cases@icann.org must to handle at once!

But please see attachments, your ICANN Global Support Center again to play game for me to tell a lie I must at 『To begin the survey, please click here』, if I as a fool to click at the "here" after a stop Complaint Case no: 01011578 to fill in a form at once can to see, so by this fraud means to give a shelter for Network Solution to offend the Complaints a law rule of ICANN already can't to deny!

Because above the Complaint Case already as terror case of 911, because as www.ycec.com/HK/180103-WSU.pdf or on near future to same by www.ycec.com/SG/200628-WSU.htm or .pdf (now only can to change to www.ycec.pk) those subject I already twice by email to inform all USA Uni. with in global 1-100 maximum lawyer firm, because my four big medicine invention everyone must to use include your all staff of ICANN, and my medicine invention all are the physiotherapy so will constant for a thousand years all the truth without anybody can to deny in my www.ycec.com

But because the Cp-China Gov., to rob my invest factory in China after only can to closed court gate since 1999 year after have nil the face to see anyone, so as then my patent Application No. 10/029,951 in USA to help Bush President to overcome the 911 crisis in USA after, the Cp-China Gov., at once to bribe or fright in worldwide any country a politician with WHO to start in this a focus ..., so today Network Solution & some of your complaint team in ICANN to by bribe or fright to closed my www.ycec.com to suppose just can to ruin their crime proof in annals that simply to show the daydream, ...

And because I just by can to deny those my four big medicine invention to save in worldwide with all American life only can into the 《Centenarian Exempt-doctor of Times》 to lead by heroic American, **can't to deny OK**

Therefore, please to warning Network Solution must at once to change point to ns111.webhosting.sg only can to open ycec.com & some of your complaint team member did not again tort to reject to handle my Complaint Case no: 01011578, and their unsuitable trick will to show in the www.ycec.pk/911/icann.htm or www.ycec.net, and if not, to die by COVID-19 of Medicine Fraud in worldwide with all American will to aggravate so who must to shoulder murder public the law duty!

Very urgent!
