Dear
Globalsupport,

Above my email to ICANN's Ombudsman Mr. Waye on March 23, 2021, thanks your understand, today in global catastrophe of medicine fraud of COVID-19 that source just true at here and only had my fourth medicine invention of "Lung-Airstreams Epidemic Prevention Law" to unfold in my ycec.com only can to save life in global!

But up today my Complaint Case Number 01011578 still have not any result, so you must to order Network Solutions, LLC to change point to ns111.webhosting.sg of my a new hosting ID in first, if not, it will became a scandal in history!

Very urgent!

Dear Heng Jie Lin,
We would like to thank you for providing valuable feedback to us in our Customer Satisfaction Survey.

The comments you provided are important to us. We will review the operational processes that impacted your case, and make adjustments as necessary. We work to continue improving and defining new services based on customer feedback such as yours.

Your comments help ICANN to enhance its services continuously.

Thank you again for your participation. If you have any questions or comments, please do not hesitate to contact us at globalsupport@icann.org

Sincerely,

Tammy Yeow
Lead Global Support Analyst
ICANN Global Support Team
