Dear Sir or Madam:

policedepartment@mountprospect.org

I, Lin Zhen Man HKID D188015(3).

Thanks your reply for me! It though in the surface this case comes from a matter of civil laws, but after in the fact it already to become a great case of criminal and below fact cannot to deny:

Due to exploitation crude **out of body things** again by the "**test kit of COVID-19**" to diagnosis morbidity in body this means of medical fraud come from HK & CP China, but **FDA & CDC** to be fully aware after still in raptures to **testing** after force to wear mask, so today butcher American life and already **death to exceed** 12,000 people!

So I must at once to inform all the American above the murder means as yesterday attachments in that to you or at www.ycec.sg/SG/200701-CooperU.pdf visible truth, and then the www.webhostingpad.com company who same to be fully aware after at once to close my **ycec.sg** in website to stop from American to understand the murder means by **FDA & CDC**, so www.webhostingpad.com company to become a murder aide or accomplice the surface evidence established already! 🚫

Therefore, the case not a matter of civil laws, Officer Sill you have the duty to intervene examine to include **FDA & CDC** in your locally official, if who can in writing to refute at www.ycec.sg/SG/200701-CooperU.pdf or turn to **.com** visible truth before 14days of then by your inform after, your prosecution work already can't to avoid, also because the science & moral no border, I have the obligation to provide the legal sense for you!

Especially in before attachments that to mention simple "**Lung-Airstreams Epidemic Prevention Law**" or in www.ycec.com/HK/200128e.pdf or .htm visible same suit for all American, if Officer you are to leading application at **Sill**, any flu or today so-called **coronavirus** or any head cold & epidemic disease to fever who the antipyretic no need to eat just can to down, so today the **COVID-19** calamity in USA must to isolate, wear masks & washing hands those low IQ of prevention methods with **CDC** include WHO can immediately get away, and the 《**Centenarian Exempt-doctor of Times**》 will first come to US, so your history duty very important! 🚫

This letter will be available to download from www.ycec.com/HK/200703.pdf and turn **ycec.sg** or **ycec.net** later!

Thank you!
