Dear D.P. Sengupta

In common that our record, you represent our patent application in India since 2005year, the application No. is: 998/KOLNP/2005, the person in charge is Mr. Anjan Sen, but that application had not any to gain ground before 2009year.

Under your quotation of prices on 26th 4, 2005, by my understand that your duty is to represent me to filing my any amendment or respond document **by Fax** or post for Examination and reporting only, so, if you have requests to add Fees that must to be in place.

Notwithstanding the above that, I was still agreed and write at my letter of July. 16, 2009, below:

▣ I understand that you have helped me to print outs total 27 pages for filing on February of 2009. Because today's print fee was very, very limited, in spite of a bottle carbon-power of print is US\$5.- in Singapore and it could to print out total about 800 pages, but I could to keep in memory for arrears, so I will request you still help me to print out for filing at next time. ▣

Now, please tell me, the process of Examination after you filing my AMENDMENT on February 06, 2009.

Besides, I did not interest to commentary your letter of July. 16, 2009 by Mr. Anjan Sen, because you cannot to break the contract that quotation of prices on 26th 4, 2005, therefore, please to keep your professional demeanor!

In the end, because lavish to bribe by CP China Government, so have part of west leaders unwise to help conceal my medicine invent and attempt cancel my application of patent that same my application of 998/KOLNP/2005 in India and to lead to very much death from their national to become an outlaw now!

Please to see latest Email that at: www.ycec.com/UN/130716.pdf that extensively sent out by me, the email document as well to suit India, because up to now, Indian hospitals still not having "wash lung" treatment for the public, Indian CDC still propagandizing the "flu shot" as a special-killer, please transmit this email to your scholar, medium & lawyer,  they have duty to synergy prosecution for self people, therefore, **please do not to make things to difficult for my application!**

Thank you!

Yours faithfully,

Lin Zhen-Man
