Dear ZhenMan Lin,
Greetings.

It is a requirement for all Singapore domain name to verify their administrative contact via SingPass via Verify@SG. This is not a one time new policy targeting any person or company but is a old policy that applies to everyone.
You can get Info at <https://www.sgnic.sg/verifiedid%40sg.html>

Without verifying, renewal is rejected by SGNIC and if by dateline 18 March 2021 (Date provided by SGNIC) the admin did not verify, the domain will be suspended or expire (which ever come first). This is the registry policy and not up to us to decide.

Best Regards,
The Customer Care Team
