由于ycec.sg域名已转移给En.com.sg Team去管理指向服务, 从<https://verifiedid.sgnic.sg/> 可见也要由En.com.sg Team 的管理联系人去验证!

Dear Admin,

The Schedule at end of this email shows that you are the designated Administrative Contact of the ".sg" domain name(s). You need to verify the identity of the registrant(s) by the due date and time as indicated. If the verification is not done by then, SGNIC may suspend the domain name(s) and/or continue to prohibit renewal of the domain name(s) with "Server Renew Prohibited".

IMPORTANT

Please go to <https://verifiedid.sgnic.sg> and login via Singpass using your Singpass ID S****604D .

If you are not the administrative contact or if the registrant/administrative contact information is not accurate, please approach the registrar* or the provider (e.g. web hosting company) who handled the registration of the domain name(s).

We thank you for your co-operation.

Regards,

VerifiedID@SG & RegistryLock Portal VerifiedID@SG FAQ RegistryLock FAQ

At this portal the administrative contact of a .SG domain name may login to:
- Verify the identity of the domain name registrant or
- Enable/Disable “RegistryLock” on the domain name.

Announcement: From 19th April 2020 onwards, domain names registered before 2 May 2013 will be subject to the VerifiedID@SG scheme once the identity or contact information of the registrant is changed. A check on SGNIC WHOIS for the domain name will show that the verification of the domain name is pending (“VerifiedID@SG-Pending”), and cannot be renewed (“Server Renew Prohibited”) until the administrative contact completes the verification process. For more information, please visit the [VerifiedID@SG FAQ](#).
