Hi

As in www.ycec.sg/SG/210228.htm can to see, because have the network spy of HK & CP-China already insane excessive to step in SG, so my ycec.sg domain to begin by vodien.com at once insane triple price SG\$240.- for me to use 2years on Feb., 27, 2021 after , and then we.care@en.com.sg to charge my SG\$45.- use one years after the same insane not point to my ycec.sg hosting, so I at once change to pay SG\$48.15 for you!

And because in above my complain, the En Technologies Pte Ltd already to know error but to attempt for avoid refund with indemnification, so them only can to confer for you, as you in SGNIC to update you are a "Temporary Holding Administrator" as www.whois.com/whois/ycec.sg can to see the Expiration Date is 27-Feb-2023 include en.com.sg of the service time, yes or not?

And because my ycec.sg domain of registrant no to change, so you have no right ask me to provide my ID card with a proxy fee, so you must to value your speciality morality!

But now, if SGNIC have to ask you must to change before by your error enroll, because we.care@en.com.sg give me the EPP code is j-u5eUf\$c8f-z-u5 and already inform you on March 10, 2021, so my duty accomplish already, but you must correct to change in SGNIC can not again troublesome for me!

Dear Lin Zhen Man (the "Registrant"), 1. We refer to: a) Your registration of the .sg domain name "ycec.sg" (the "Domain Name") on 27 February 2019; and b) SGNIC's email to you dated 19 April 2021 timed at 5.48 PM. 2. On 18 March 2021, SGNIC was notified by EN Technologies Pte Ltd (whose details are currently reflected as the Administrative Contact for the Domain Name (the "Administrative Contact"), albeit under the incorrect name "Temporary Holding Administrator"), that it no longer wished to act as the Administrative Contact. 3. We further understand that in April and May 2021, Exabytes Network (Singapore) Pte Ltd (the "Registrar") sent e-mails to you requesting updated Administrative Contact details. However, it did not receive the required information from you. In addition, SGNIC has also informed you, by way of e-mail dated 19 April 2021, that the Administrative Contact contains invalid/inaccurate information and needs to be updated to a real organization or individual. Your registration information must remain at all times true, complete, accurate and not misleading. 4. SGNIC received a reply from you. However, the Administrative Contact details for the Domain Name have yet to be updated. As it stands, the registration information for the Domain Name states "Temporary Holding Administrator" as the name of the Administrative Contact. This is an invalid/inaccurate name as it does not refer to a real entity or individual, and it needs to be updated. Furthermore, EN Technologies Pte Ltd, whose details are listed as the contact details of the Administrative Contact, has indicated that it no longer wishes to act as the Administrative Contact for the Domain Name. 5. SGNIC draws your attention to: a) Clause 7.3 of the Domain Name Registration Agreement ("DNRA"), which provides that (i) it is solely the Registrant's responsibility to update SGNIC of any changes in Registration Information as and when such changes occur; and furthermore that (ii) SGNIC may request updated Registration Information and that such information shall be provided by the Registrant within 7 days of such request; b) Clause 8.1.1. of the DNRA, which states that the Registrant warrants that all Registration Information is and remains at all times true, complete, accurate and not misleading; and c) Clause 9.1.1(f) of the DNRA, which provides that SGNIC may, at its sole and absolute discretion, take appropriate action, including immediately deleting or suspending, or cause to be deleted or suspended, a Domain Name Registration in the event that in the sole and absolute determination of SGNIC, the Registrant has breached any of the terms set out in this DNRA and/or Reference Documents (i.e. the Rules of Registration, Acceptable Use Policy for Registrants, WHOIS Policy, Singapore Domain Name Dispute Resolution Policy and Supplemental Rules and Privacy Policy). 6. Having carefully considered and assessed all the relevant facts and circumstances, SGNIC finds that the Registrant has breached clauses 7.3 and 8.1.1 of the DNRA. SGNIC hereby gives notice that the Registrant must, by no later than 20 July 2021, remedy these breaches by providing your Registrar with registration information that is true, complete, accurate and not misleading, such that your Registrar may update the Administrative Contact of the Domain Name "ycec.sg". If you fail to provide the said information by 20 July 2021, the Domain Name registration shall be suspended pursuant to Clause 9.1.1(f) of the DNRA. 7. SGNIC hereby expressly reserves all its rights.
